

Teknimedia uses rigorous standards to ensure PCIC3 instruction is easily understood and highly retained by the learner. The following features make PCIC3 the ideal instructional resource for IC3 preparation:

### Features & Benefits

- Ideal for instructor-led classes as well as independent study, Teknimedia's self-paced, competency-based courses make it faster and easier for learners to acquire the digital skills and concepts needed for success in school and the workplace.
- Performance-based pre-assessments identify knowledge and skills gaps, and create individualized "Custom Learning Paths" for each learner.
- Performance-based post-assessments verify that learners have mastered the required computer skills.
- Clear, step-by-step voice narration makes lessons easy to understand.
- Adjustable play speed allows learners to go through lessons at their desired pace.
- Optional display of the narration text reinforces instruction and makes courses appropriate for hearing impaired learners.
- High-quality graphics and animation keep learners engaged.
- Interactive exercises let learners practice, hands-on, the skills they have learned with "hints" provided if needed.
- Quizzes included within each course measure learners' knowledge and progress.
- Comprehensive management system allows administrators to manage learners; view, print and export performance records; control title settings; and modify assessment parameters.
- Frequently Asked Questions enhance learning by offering additional information about lesson topics.
- Comprehensive index allows quick reference to desired topics.
- Microsoft Office Projects provide additional practice with Microsoft Office applications as students prepare for the IC3 Key Applications exam.
- Teacher's Guides, Student Study Guides, and Certificates of Completion supplement online and offline computer-based instructional materials.
- "Online" delivery gives learners 24/7 access from any computer with high-speed Internet access.
- "Offline" delivery is available for standalone computers and local/wide area networks where Internet access is unavailable.

*"I promised to get back to you when we completed our IC3 test. Well, I am super excited to report that we passed with 100% pass rate. 12 out of 12! Teknimedia rocks! Thanks for all your help."*

S. Silk, Western Technology Center

*"Teknimedia's IC3 courses are phenomenal. We have had an outstanding number of students receive certification as a result of working through the courses. I am so thankful we found you."*
