

# IC3 GS5 Certification Prep

In today's technology-driven society, digital literacy isn't an option - it's a requirement. The best way to demonstrate digital literacy is through Certiport's **IC3 GS5 Certification** program and the best way to help your students prepare for IC3 GS5 is to use Teknimedia's ***Getting Ready for IC3*** (PCIC3-GS5) courses.

PCIC3-GS5 is a comprehensive training program that maps 100% to the IC3 GS5 learning objectives and will fully prepare your students for the IC3 GS5 certification exams.

Delivered over the Internet, local/wide area networks and standalone computers, PCIC3-GS5 offers the finest in multimedia, interactive instruction to make learning fast, easy and effective.

PCIC3-GS5 consists of a series of self-paced, competency-based courses that include performance-based pre and post-assessments:

- PCIC3A-GS5-2016-Computing Fundamentals
- PCIC3B-GS5-2016-Key Applications
- PCIC3C-GS5-2016-Living Online

Teknimedia uses rigorous standards to ensure PCIC3 instruction is easily understood and highly retained by the learner. The following features make PCIC3 the ideal instructional resource for IC3 preparation:

### **Features & Benefits**

- Ideal for instructor-led classes as well as independent study, Teknimedia's self-paced, competency-based courses make it faster and easier for learners to acquire the digital skills and concepts needed for success in school and the workplace.
- Performance-based pre-assessments identify knowledge and skills gaps, and create individualized "Custom Learning Paths" for each learner.
- Performance-based post-assessments verify that learners have mastered the required computer skills.
- Clear, step-by-step voice narration makes lessons easy to understand.
- Adjustable play speed allows learners to go through lessons at their desired pace.
- Optional display of the narration text reinforces instruction and makes courses appropriate for hearing impaired learners.
- High-quality graphics and animation keep learners engaged.
- Interactive exercises let learners practice, hands-on, the skills they have learned with "hints" provided if needed.
- Quizzes included within each course measure learners' knowledge and progress.
- Comprehensive management system allows administrators to manage learners; view, print and export performance records; control title settings; and modify assessment parameters.
- Frequently Asked Questions enhance learning by offering additional information about lesson topics.
- Comprehensive index allows quick reference to desired topics.
- Microsoft Office Projects provide additional practice with Microsoft Office applications as students prepare for the IC3 Key Applications exam.
- Teacher's Guides, Student Study Guides, and Certificates of Completion supplement online and offline computer-based instructional materials.
- "Online" delivery gives learners 24/7 access from any computer with high-speed Internet access.
- "Offline" delivery is available for standalone computers and local/wide area networks where Internet access is unavailable.

*"I promised to get back to you when we completed our IC3 test. Well, I am super excited to report that we passed with 100% pass rate. 12 out of 12! Teknimedia rocks! Thanks for all your help."*

S. Silk, Western Technology Center

*"Teknimedia's IC3 courses are phenomenal. We have had an outstanding number of students receive certification as a result of working through the courses. I am so thankful we found you."*

C. Pittman, Crestview High School, Crestview, Florida
